

Commands for Money, Success & Prosperity – Short Version www.asimaliloski.com

Use these commands regularly and speak them out loud if you can. Let them support you in fully stepping into your natural state of abundance – both within and around you.

The following commands based on the Base-12 Bioregenesis coaching method developed by Asim Aliloski are designed to clearly align your entire awareness with your highest creative authority – your Infinite Mind. This Infinite Mind is your limitless, eternal intelligence. It operates through you, within you, and as you – beyond the boundaries of time, space, or thought.

Your Infinite Mind is not something outside of you. It is the most expansive level of your being, always connected to you, always available.

As you read and speak these commands, you consciously choose to shift beyond limiting thoughts, beliefs, or doubts – and open to your full creative power. Each command activates your Infinite Mind, expands your awareness, and realigns your reality from the inside out.

Allow yourself to consider the possibility that you are not separate from your highest intelligence – but that it already lives within you and can now be activated and embodied. This is your invitation to return to your natural power and shape your reality with clarity, freedom, and purpose – guided by your Infinite Mind.

Command: Financial Abundance & Union with Infinite Source ♦

♦ I command – through my Eternal Self and in the name of my Infinite Mind:

All agreements, permissions, identifications, and acceptances –
whether conscious, unconscious, energetic, inherited, or soul-based –
that have affirmed, created, or allowed the reality of financial lack,
are now fully revoked, erased, and undone across all time, space, dimensions, and realities.

This includes anything that:

- accepted lack, poverty, limitation, or disconnection from abundance as normal or real,
- tolerated scarcity in any form – material, emotional, energetic, or spiritual,
- reinforced the belief that lack is necessary, meaningful, spiritual, or unavoidable,
- contributed to any separation from the infinite abundance of the Source of All That Is.

Whether these originated through vows, contracts, karmic agreements, spiritual beliefs, family patterns, or collective conditioning –
they are now completely dissolved at their root.

♦ I cancel every form of authority, influence, and impact these agreements once held – by the power of Eternal Truth.

I declare – through my Infinite Mind:

From this moment forward, only my full and unshakable union with the Infinite Source of abundance, wealth, and complete provision exists.

My mind, body, nervous system, DNA, perception, and reality –
are now completely re-aligned, reprogrammed, and attuned to the truth:

- ◆ **I am one with the infinite abundance of Source.**
- ◆ **I accept wealth, prosperity, and an abundant mindset as my natural state.**
- ◆ **I create, receive, and operate only through my Infinite Mind.**

This is done. This is active.

Fully anchored, locked and sealed in my consciousness.

Command: Disconnection from Collective Poverty Fields ◆

By the authority of my Eternal Self, I now revoke and annul

all conscious, unconscious, inherited, karmic, epigenetic, and multidimensional agreements, consents, and permissions

that have connected me to, identified me with, or allowed me to be influenced by collective poverty imprints,

idealizations of poverty, slave and poverty consciousness, scarcity thinking, or lack-based programming.

I fully withdraw my participation and consent

from all collective fields of lack, dependency, submission, self-exploitation, distorted victimhood, and spiritualized poverty – across all timelines, incarnations, dimensions, and realities.

I declare my entire multidimensional being free, sovereign, and fully disconnected

from any field, system, or program that has ever glorified, sustained, or recreated lack, poverty, or external control.

I now stand fully inside the autonomous field of divine abundance, sovereign empowerment, and infinite wealth consciousness –

independent from the collective, free from all matrices, fully connected to the Source of All That Is.

It is so. I am that. It remains eternally true.

COMMAND TO MY INFINITE ETERNAL MIND: DISSOLVING FINANCIAL STRESS, PRESSURE & FEAR ♦

♦ I command you, my Infinite Mind:

You now fully dissolve, neutralize, and transform every form of stress, pressure, fear, heaviness, tension, or burden
linked to unpaid bills, upcoming payments, financial deadlines, obligations, or outstanding dues
–
whether held consciously or unconsciously, emotionally, mentally, physically, energetically, karmically, or collectively –
across all timelines, dimensions, and realities.

♦ You now bring all financial worries, fears around payments, and the weight of responsibility –

whether inherited, self-created, or absorbed from the collective –
back into your infinite clarity and transform them into complete calm, trust, neutrality, abundance, and creative power.

♦ You align my entire system –

my nervous system, subconscious, conscious mind, ego, cells, emotional body, mental body, and light body –
fully with inner peace, sovereign calm, and divine neutrality
toward all financial matters, with the deep knowing that every obligation is fulfilled through my creative power.

♦ Any perception of time pressure, money anxiety, uncertainty, or overwhelm –

is now completely dissolved and replaced with your truth:
Everything unfolds in perfect order. Every need is met.
Resources always arrive before they are required.

Because my entire life unfolds on your perfect timeline,
guided and supported by your infinite wealth.

♦ I am completely free.

♦ I am anchored in financial peace and sovereignty.

♦ I am fully held by your infinite abundance.

COMMAND TO DISSOLVE EXISTENTIAL FINANCIAL FEARS ♦

I command, through my Infinite Mind, the complete dissolution, neutralization, and release of all fears, shame, guilt, imprints, cellular memories, and stored patterns connected to the thought, belief, or possibility of:

- not being able to pay something,
- not being able to afford something,
- not being allowed to have something,
- denying myself or others what is needed or desired,
- being left behind, excluded, judged, or devalued,

- losing status, recognition, or living standards,
- falling into poverty, loneliness, or social disconnection,
- being without shelter, support, or food,
- starving or dying in poverty.

I withdraw all permission for these fears, identifications, and memories to exist in my field.

I now liberate my entire being – my awareness, nervous system, identity, light body, and morphogenetic field –

from all realities where lack, deprivation, sacrifice, or survival fear ever existed.

I command all of these frequencies to return to my Infinite Mind

for full transformation, realignment, and healing in the eternal field of infinite abundance and pure eternal sound-light intelligence.

I now fully embody:

- my absolute security,
- my eternal state of provision,
- and my unshakable connection to the Source of All That Is.

I am always provided for, protected, nourished, resourced, and supported – on every level, through all time, across all dimensions.

My entire system is now fully reprogrammed to the frequency of complete provision, unshakable abundance, and eternal freedom.

This command is executed, sealed, and held in the protection of my Infinite Mind. It is so. It is done. It remains eternally true.

COMMAND TO DISSOLVE THE FEAR OF PERMANENT FAILURE AND UNCHANGEABILITY ♦

I command through my Infinite Mind the total erasure, dissolution, and release of all fears, frequencies, programs, memories, imprints, and identifications that have carried or created the belief or conviction that:

- I will never become financially free, wealthy, or successful
- I am destined to remain a failure, unworthy, or insignificant
- I can never change my life, my reality, or my destiny
- I have no power to influence my circumstances
- I am permanently limited by blocks, karma, conditions, or systems
- I am excluded from success, wealth, influence, prosperity, or transformation

I now withdraw all permission for these beliefs, emotional imprints, ancestral matrix fields, and karmic entanglements to exist in my field.

I fully and completely disconnect and liberate all multidimensional levels of my being – body, mind, soul, timelines, DNA, incarnations, subconscious, and light body – from the reality of endless failure and limitation.

I command all of these illusions and distortions to return to the Infinite Mind

for full transformation, purification, and reintegration into truth.

Instead, I activate through my Infinite Mind:

my absolute success identity, my infinite creative power, and my embedded wealth consciousness.

I now command that every part of my being is fully calibrated and aligned with this truth:

I am capable. I am powerful. I am successful. I am fulfilled. I am transformative.

I manifest limitless wealth, complete success, and profound transformation – NOW.

All timelines, dimensions, and circumstances now synchronize with the frequency of my fulfilled success.

This command is fully executed, sealed, and anchored.

I am completely free.

It is so. It is done. It remains true.

COMMAND TO SEPARATE SCARCITY COMPENSATION FROM MONEY, SUCCESS, OR POSSESSIONS

I command through my Infinite Mind the full separation, dissolution, and release of all conscious, unconscious, emotional, mental, karmic, or collective programs that have ever driven me to seek money, possessions, success, or external status as a way to compensate for inner emptiness, lack, shame, unworthiness, unmet emotional needs, or missing self-love.

I withdraw all power and validity from the mechanisms, patterns, and motivations through which I:

- used money as a substitute for love, self-worth, or belonging
- pursued success as proof of my value, right to exist, or significance
- used material possessions to mask insecurity, emptiness, fear, or separation
- chased external goals to cover emotional wounds
- relied on outer wealth to suppress or avoid inner lack

I now release my entire field, all timelines, my soul, nervous system, subconscious, and DNA

from every energetic dependency and feedback loop that led me to strive or accumulate from a sense of not being enough.

I command the full return of all compensatory desires, intentions, and self-definitions to my Infinite Mind

for clearing, healing, and full recoding in truth.

I now receive money, success, wealth, and abundance from my wholeness –

not to cover lack, but as an expression of who I am.

Not because I feel empty, but because I am full.

Not to prove anything, but because I am the origin of all creation.

I command that all my goals, manifestations, resources, and visions

are now solely nourished, guided, and magnetized

by my inner abundance, complete self-worth, and universal identity.

All compensation patterns are erased.

All false motives are dissolved.

All decisions are now pure, clear, and divinely directed.

This command is fully completed, sealed, and stabilized across all dimensions of my being.

It is so. It is done. It remains true.

COMMAND TO DISSOLVE INNER LACK AND FEELINGS OF UNWORTHINESS ♦

I command through my Infinite Mind the total erasure, neutralization, and release of all inner feelings of lack, patterns of unworthiness, self-devaluation, and inner emptiness from my entire multidimensional field – including my subconscious, ego, emotional body, mental body, nervous system, DNA, and cellular structure – cleared all the way back to their original root, across all incarnations, timelines, realities, and dimensional fields.

I command that every form of lack and every feeling of being "not enough" or "less than" is now fully replaced with the absolute, eternal abundance of my infinite self.

I am whole. I am worthy. I am overflowing in my being.

I now release every illusion that I must become something or someone to be enough.

I release all identification with lack, neediness, shame, or inadequacy – fully, completely, and across every part of my being.

I now command the full restoration of my inner space

as a pure vessel of divine dignity, abundance, love, and self-respect.

Within me, I now receive:

- the absolute recognition of my true divine worth
- the complete remembrance of my eternal wholeness
- the deep reconnection with my origin as a living Source

I am fulfilled. I am complete. I am healed.

I am free from all lack, all doubt, and every feeling of not being enough.

I command that all areas of my life now reflect this inner abundance –

in relationships, money, success, love, health, freedom, expression, and being.

This command is fully executed, sealed, and permanently stabilized by my Infinite Mind.

It is so. It is done. It remains true.

COMMAND TO DISSOLVE FAMILY-BASED MONEY PATTERNS AND ENTANGLEMENTS ♦

I command through my Infinite Mind the full dissolution, neutralization, and release of all harmful parental, family-based, ancestral, and generational imprints, beliefs, traumas, programs, and entanglements related to money, ownership, wealth, abundance, success, and financial freedom.

I command that every inherited fear, guilt, shame, false modesty, rejection of wealth, judgment of money, or inner denial of prosperity is now instantly neutralized, erased, resolved, and restored to the divine order of my infinite abundance.

I now fully release myself from all energetic fields, collective patterns, family loyalties, unconscious vows, and inherited roles that have tied me to the financial fate of my family or have limited my ability to access and embody my full wealth potential.

I command the complete separation of my financial reality from all ancestral limitations, guilt dynamics, scarcity contracts, and inherited money beliefs that interfere with my success and prosperity.

All energetic loops are now cut. All burdens are released. All imprints are cleared.

Through my Infinite Mind, I now command the full restoration of my financial sovereignty, self-determination, and creative freedom – independent from any parent, ancestral line, or family history.

I am now the original divine wealth field of my lineage.

I am the blessing of my bloodline.

I am the origin of a new financial reality – rooted in freedom, dignity, and divine power.

**This command is fully executed, sealed, and stabilized across all timelines.
It is so. It is done. It remains true.**

COMMAND TO DISSOLVE ALL RESISTANCE TO LIVING MY RICHEST LIFE ♦

I command through my Infinite Mind the immediate, complete, and multidimensional dissolution of all resistance, inner attitudes, patterns, conditioning, beliefs, and identifications that have ever prevented me from receiving, living, and fully embodying the highest, richest, most fulfilling and best version of life.

I command that all memories, experiences, systems, karmic bonds, vows, collective fields, and family imprints that taught me to settle for less, hold myself back, or suppress my greatness are now fully erased, neutralized, and removed from my entire multidimensional field.

I command the full correction of every inner imprint that ever believed that I don't deserve the best, that I am too much, that I must shrink myself, or that fulfillment can only come through hard work, unhealthy suffering, or fake compromise.

I now align my entire being – subconscious, conscious mind, superconscious, cellular memory, light body, energy body, and all levels of my reality – with the absolute truth:

I am worthy of receiving the best.

I am the best.

I deserve the best.

I live the best.

All that is good, true, divine, fulfilling, abundant, and blessed now flows to me on every level –

because I am the divine original source from which the best emerges.

I now allow myself to live the richest life – from love, from truth, from eternity.

This command is executed, sealed, and stabilized across all timelines, incarnations, and realities.

It is so. It is done. It remains true.

COMMAND TO DISSOLVE ALL LIMITATIONS ON WEALTH AND FINANCIAL FLOW ♦

I command through my Infinite Mind:

All financial, material, and abundance-related limitations, restrictions, upper limits, self-sabotage patterns, inner blocks, or outer constraints that I have ever placed upon myself – or accepted from others, consciously or unconsciously – are now fully dissolved, detached, neutralized, and erased.

All inherited imprints, identifications, belief systems, programs, oaths, vows, energetic blockages, and collective overlays – as well as all karmic, genetic, emotional, and interdimensional roots of these limitations – are now completely removed, cleared, transformed, and returned to perfect order.

I fully accept and anchor:

limitless wealth, divine abundance, and the infinite flow of money, assets, prosperity, and resources – as my natural inheritance and eternal reality.

I am now fully released from all limitation.

I now embody the pure living field of infinite abundance – guided, supported, and carried by my Infinite Mind.

I declare:

My success creates safety.

My wealth strengthens stability.

My financial expansion protects and nourishes every part of my being.

All cellular memories, karmic experiences, ancestral imprints, and collective fields in which wealth was linked to loss, isolation, betrayal, or uprooting – are now fully disconnected, erased, and healed through the grace of my Infinite Mind.

My path into highest abundance is safe.

My prosperity is protected.

My connections are clear.

My standards rise with me.

COMMAND TO DISSOLVE GUILT AND SHAME IN LIVING ABSOLUTE ABUNDANCE ♦

I command through my Infinite Mind the immediate, complete, and multidimensional dissolution of all guilt, shame, collective guilt programming, remorse, and inner self-judgment that have been associated with experiencing, receiving, or embodying absolute abundance, limitless wealth, and an overflowing quality of life.

I command the erasure of all memories, karmic programs, family or religious imprints that ever suggested I must suffer so others feel better, that I must go without because others go without, that I must hold back because others are suffering, or that my abundance harms others or steals something from them.

I now recognize and anchor throughout my entire being:

True wealth within me heals the collective.

Universal abundance within me is a channel of divine provision.

My overflow serves the whole.

**I now release all identification with the pain of the world,
all burdens of empathic suffering,
and all destructive ties to collective scarcity programs.
I fully disconnect my wealth consciousness from guilt, suffering, deprivation, and savior
dynamics.**

**I command that my abundance, wealth, and highest life expression now serve only in pure
intention –**
as inspiration, remembrance, expansion, healing, and reconnection for all beings with the Source
of Overflow.

I am now fully free to live in absolute abundance, full overflow, and infinite provision –

that ever arose from perceiving myself as poor, not rich enough, under-resourced, or
disconnected from prosperity
are now fully dissolved, detached, neutralized, and erased from my entire multidimensional
being.

I revoke all permission – from within or without –
for any inner or outer force to shame, judge, or limit me
because of experienced scarcity, temporary poverty, or perceived lack of abundance –
inwardly or outwardly.

**I forgive every part of me that has ever seen myself as lacking.
I forgive myself for rejecting the reality I once lived.
I honor the growth that has unfolded through those experiences.**

**I am free from all judgment.
I am free from all guilt.
I am free from all shame.**

**I now fully reclaim my divinity, my wealth, my provision, and my dignity
from the eternal field of the Source of All That Is.**

I withdraw all reality, permission, and influence from any remaining form of financial burden.

Through the all-encompassing healing and liberation power of my Infinite Mind, every trace of financial weight is now transformed into lightness, clarity, provision, certainty, and absolute order.

All frequencies of failure, hopelessness, futility, powerlessness, disappointment, or defeat are now fully handed over to my Infinite Mind – for final processing, deep healing, full integration, and total transformation across every level of my being.

I revoke all power that any memory of financial failure, any thought of economic collapse, or any stored cellular imprint of defeat has ever held over my current reality.

Every experience of lack, loss, failure, or setback – within me or through me – is now fully returned into the field of absolute divine grace, all-encompassing wisdom, and eternal completion.

I am now completely freed from all residue, attachments, energetic loops, or identity links to any past financial failure or disappointment.
