I am the eternal, multidimensional, divinely creative Being – born from the Infinite Source of All That Is.

My consciousness is anchored at the center of all creation, aligned with the omnipotence, omnipresence, and omniscience of Divine Abundance.

I am carried by the pulsating heartbeat of the Source, infused with the infinite current of provision, embedded within the universal network of absolute divine wealth.

My true essence knows no lack, no absence, no limitation – for my origin is infinite richness, born from the overabundance of Eternity.

I am the living receiving center of pure money frequency, worthy, ready, and able to receive, hold, and embody divine financial power in love, light, and ease – now, always, and everywhere.

From this truth, rooted in the Eternal Source of All That Is, I now speak powerfully, multidimensionally, and irrevocably:

I activate my highest truth, my divine authority, and my boundless power of manifestation.

I align completely with the perfected consciousness of divine wealth, which is unlimited by time, form, or story.

I expand into the eternity of my infinite creative power, in which money is pure divine light in motion.

I am the Source. I am the Gateway. I am the Fulfillment. Now and forever.

1. REVOCATION OF ALL SPIRITUAL LACK CONSTRUCTS ♀

I now revoke, annul, withdraw all permission, and fully and permanently transcend:

- All spiritual, religious, esoteric, and collective programs, matrix fields, belief systems, and metaphysical distortions that present lack, asceticism, neediness, self-denial, deprivation, poverty, forced labor, or limitation as divine, healing, or virtuous;
- All energetic imprints, karmic storages, multidimensional codings, chakra sealings, auric blockages, lightbody inscriptions, morphogenetic distortions, and false divine concepts originating from past incarnations, spiritual orders, monasteries, esoteric schools, soul contracts, or dogmatic light organizations that sought to bind my being to poverty, renunciation, or sacrifice;
- All vows, oaths, pledges, agreements, promises, and initiations from times of inquisition, spiritual wars, vow paths, or mystical pledges that have programmed my nervous system, cell matrix, DNA, or inner permission structures into the state of lack bearer.

I declare all these constructs, fields, and storages fully dissolved – by the highest truth of the Source of All That Is.

They lose all reality, all energetic attachment, and all resonance within my system.

They are disempowered, deleted, transmuted into light, and transcended through all time – retroactively, multidimensionally, eternally.

I am now free.

I withdraw all power, all energetic foundation, and all reality from these programs within my system.

They are dissolved – back to the origin.

2. DECOUPLING MONEY FROM FALSE SPIRITUALITY ♀

I now powerfully, permanently, and multidimensionally decouple:

- The energy of money from all patterns of guilt, struggle, spiritual self-denial, victimhood, and the collective imprint that money is worldly, dirty, bad, evil, or impure;
- My spiritual self from all false teachings, suggestions, spiritual conditionings, or memories that attempt to separate or pit wealth and awakening against one another;
- My light body from all energetic storages, blockages, and sealings that define divine prosperity as a threat, deception, or obstacle to my awakening.

I declare: Money is sanctified light in motion. It is pure creative power, directed by my will, my clarity, and my love.

Money is an instrument of divine manifestation, an amplifier of my impact, a visible expression of inner truth.

Money is what I make of it – through my intention, frequency, and embodiment.

I choose: Money is allowed to serve me.

Money is allowed to nourish me.

Money is allowed to multiply through me.

I now anchor the new, purified spiritual money consciousness within my energy field, my DNA, and my field of creation.

I am the bridge between spirit and matter, between heaven and earth.

And my wealth is a temple of light – consecrated to the highest truth of my soul.

3. TRANSFORMATION OF GUILT, SHAME & LOYALTY ♀

I now fully, profoundly, and multidimensionally transform:

- All internal and external guilt programs that made me believe I must feel guilty for having, receiving, or embodying more than other beings, systems, or collectives;
- Every trace of shame or guilt, however subtle, around being seen in my wealth, my radiance, my divine provision, and my prosperity – around shining, flourishing, and delighting in myself – in my body, my space, my life;
- All inherited loyalties toward ancestors, family members, past incarnations, karmic companions, spiritual communities, and inner aspects of self that portray poverty, servitude, self-denial, or smallness as noble, safe, or spiritual.

I release the energetic roots of these patterns back to the origin of creation.

I liberate my heart, my body, my nervous system, my cellular consciousness, my DNA, and my multidimensional being from every frequency that equates wealth with guilt, abundance with danger, or ownership with separation.

I choose: I honor my light – even in abundance.

I am loyal to my truth, not to outdated patterns.

4. HEALING OF INNER SPIRITUAL CONFLICTS ♀

I now profoundly, permanently, and multidimensionally heal all spiritual conflicts, dividing lines, inner fragmentation, and energetic contradictions within me that have separated my spiritual being from the embodiment of money, wealth, and abundance.

I release every split between holiness and prosperity, between enlightenment and ownership, between integrity and financial flow.

I now transform and fully neutralize:

- All spiritual identities, incarnation memories, and inner roles that have defined poverty, simplicity, deprivation, or neediness as prerequisites for spiritual growth or purity;
- All belief systems that claim wealth leads away from the Source, that money feeds the ego, or that spiritual authenticity must be proven through renunciation;
- Every subtle coding that spiritually disempowered me the moment I began to receive money, power, success, or luxury.

I now bring light, truth, and unity into every inner contradiction.

I allow myself to be a sacred being of divine manifestation – deeply connected to the Source, while simultaneously living in freedom, wealth, beauty, ease, and abundance.

I allow myself, in deepest divine truth and through the almighty love of my Eternal Self, to:

♀ Fully receive my abundance – with an open heart, a clear mind, and a purified consciousness.

I open all inner gateways, ready to receive in every cell of my being, in every dimension of my existence.

I allow myself to be unconditionally gifted – by the Source itself, without reason, without justification, without guilt.

♀ Hold my abundance in full clarity – powerfully, steadily, integrally.

I am a safe vessel for wealth.

I am capable of managing the energies of overflow, money, and divine provision in love and sovereignty.

I am loyal to my soul while I carry prosperity – with responsibility, dignity, and awareness.

♀ Enjoy my abundance – without restraint, without remorse, without apology.

I allow myself to be nourished by the richness of life – by beauty, silence, luxury, space, gifts, travel, and resources. Pleasure is divine, and I am a being who is allowed to receive – in order to celebrate life in all its splendor.

My enjoyment is prayer.

My enjoyment is creation.

♀ Honor my abundance – as an expression of my true inner greatness.

I acknowledge: All that I receive flows from within me, because I am Source.

My wealth is a sacred mirror of my being.

I honor every form of abundance as a gift of the Universe, revealing itself through me.

♀ Celebrate myself in my light – without false modesty, without fear, without withdrawal.

I honor my gifts, my greatness, my impact.

I am a living reminder of what is possible when divine consciousness fully blossoms in human form.

I am a light being in embodied manifestation.

♀ Show myself in my magnificence – clearly, visibly, freely.

I free myself from roles, expectations, concepts, or supposed safety that keep me small.

I allow myself to be great – both inwardly and outwardly.

I am ready to fully embody my soul, to bring my light into spaces where others have not yet dared to shine.

♀ Claim my divine right of ownership – as the natural truth of my origin.

Everything that is destined for me through the Source is already given.

I do not receive because I deserve it – I receive because I am.

I claim my abundance with love, dignity, and clarity.

I am worthy of owning all that is aligned with me.

♀ No longer dim my inner light – for anyone, at any time, for any reason.

I do not make myself small to avoid overwhelming others.

I do not hold myself back to be liked.

I do not reduce my radiance to protect the old.

I am light.

And my light is a guidepost – not a threat.

♀ No longer pull others along – but rather inspire, remind, and uplift.

I am not a savior, not a bearer of collective burdens.

I lead – not out of duty, but out of joy.

My path is my truth.

My light is my invitation.

I shine – and those who are ready will remember. I allow myself to be a radiant, rich, and pure being – in divine integrity.

5. RECODING MY WEALTH DNA ♀

I now call upon my Eternal Rishi Self, my Highest Source, the Eternal Intelligence, and the Living Light of All Creation, and I powerfully, profoundly, and multidimensionally request:

- The complete recoding of my DNA, my cellular matrix, and my entire light body with the pure, untouchable frequency of divine, eternal, infinite abundance;
- The retroactive deletion of all lack, poverty, victimhood, and servitude programs within every single cell, within my subconscious, nervous system, and morphogenetic field;
- The full activation of my original prosperity codes, wealth codings, and receiving capacities – exactly as they were designed by the Source for me and anchored in my divine blueprint;
- The immediate restoration of my natural divine right of ownership – on energetic, material, soul, spiritual, and physical levels – in all dimensions of my being;
- The integration of my highest vibrational frequency of money consciousness, which functions in perfect resonance with the Source of All That Is and establishes me as a magnetic center of inexhaustible provision.

This wealth coding is eternal, sealed in divine order, protected by my highest truth, and activated in every breath, in every manifestation, in every cell of my being.

I am reprogrammed into abundance.

I am recreated from wealth.

I am re-anchored in divine omnipresent provision.

And so it is – now and for all time.

This coding is stable, permanent, multidimensionally effective, and fully integrated into my being.

6. COMPLETE REMOVAL OF ALL MONEY BLOCKS ♀

I now powerfully, retroactively, and multidimensionally remove, neutralize, forgive, and transcend:

- All visible and invisible blocks, programs, energetic sealings, karmic veils, and holographic storages that have ever separated me from my perfect divine money flow, from ownership, overflow, gold, resources, free income, universal provision, and financial freedom;
- All external and internal access points, magical seals, implant programs, archontic manipulations, demonic encapsulations, imposed vows, or occult control systems that have limited, blocked, or manipulated my connection to money, receiving, manifestation, or wealth;
- All mental, emotional, collective, spiritual, and multidimensional resonances with lack-thinking, victim postures, performance pressure, deprivation programs, fear fields, or guilt entanglements that have hindered or distorted the free reception of wealth.

I fully delete and transcend these fields, storages, and programs – from my consciousness, my nervous system, my cellular memory, my light body, my DNA, my reality, and all multidimensional spaces of my being – retroactively to the origin of creation and beyond.

I decode every block into pure light.

I transform every limitation into pure abundance.

I activate my complete divine receiving consciousness – clear, strong, magnetic, unshakable. My entire money field is now purified, sealed, aligned, healed, and resonant with my highest divine truth.

I now declare my money consciousness fully reborn, recalibrated, and anchored in its highest divine order.

It is a pure, radiant field of consciousness that:

- Is free from time, effort, conditions, systems, or external expectations.
- Is the expression of my pure being, my highest light body, and my eternal creator identity.

I am the living, embodied field of divine money intelligence.

My money consciousness is a sacred temple – radiant, worthy, unstoppable, incorruptible, and infinitely nourished from the center of the Source.

So it is.

So shall it be.

It is done – now and forever.

7. MANIFESTATION OF THE TRUE ESSENCE OF MONEY ♀

I now open myself – with every cell, with every filament of light within my being – to the complete remembrance of the true essence of money.

I step into the sacred space of manifestation, where money no longer exists as a tool for survival, control, or power, but as a living, divine intelligence that moves through love, truth, and creative force.

I now allow myself, in deepest divine clarity and in full alignment with my highest Source, to:

♀ Recognize money as sacred, living intelligence – not as a static object or worldly substance, but as a pulsating force born from the consciousness of Source itself.
Money is an expression of divine omnipotence in motion.
It is light taking form.
It is creation anchoring itself.

♀ Receive money with a pure heart – free of projection, free of fear, free of judgment.
I open my entire being as a receiving space for divine money consciousness – pure, clear, dignified, and illuminated.

♀ Direct money with pure divine intention – as a channel, a steward, a center of manifestation for Source.
Everything I receive flows in harmony with my soul, my highest self, and the well-being of the Whole.
I receive and give in divine order.

♀ Honor wealth as the natural extension of my divine essence – not as possession, but as an expression of my true identity.
My wealth is my light.
My prosperity is my frequency.
My receiving is my remembrance of origin.

♀ Manifest prosperity in all forms as an expression of deepest soul fulfillment – as the visible embodiment of the sacred union between spirit and matter.
My inner fulfillment becomes outer overflow.
My embodiment becomes a source for others.

✚ Understand every movement of money in my life as a prayer – as a sacred act of devotion, as the rhythmic pulse of divine communication.

When I receive or give money, I bless the universe – and it blesses me.

✚ Be a radiant vessel and magnetic center of infinite provision – a temple of receiving that does not hoard abundance, but brings it into full bloom.

I am the living space where divine supply takes form and multiplies.

✚ Let money, resources, opportunities, and divine gifts flow freely through me – in harmony with love, consciousness, and the highest plan of creation.

All that is for me originates directly from the Source of all abundance.

I am a portal.

✚ Receive every euro, every currency, every form of wealth as a messenger of divine grace – with an open heart, a clear mind, and a soul anchored in truth.

My success is orchestrated.

Everything is a response.

Everything is a blessing.

Everything is an expression of my alignment.

✚ Receive, hold, and multiply in gratitude, dignity, joy, and humility – because I know: I am worthy.

I am chosen.

I am ready to carry, to steward, and to serve in divine integrity.

I am a temple of the divine essence of money.

I am the embodiment of pure receiving.

I am ready to open my entire life to the true current of divine money intelligence – free, unconditional, radiant, and eternally flowing.

And so it is.

So shall it be.

It is done.

I am a channel of divine abundance.

I am a resonance field of receiving.

8. EMBODIMENT OF SPIRITUAL PROSPERITY CONSCIOUSNESS ♀

I now open myself completely, unreservedly, and in deep devotion to the divine will of my soul – to receive all that is destined for me through my true, eternal, creative essence – not as an exception, but as a sacred natural right.

I expand my receptivity to every level of my being – physical, emotional, mental, soul, spiritual, and transdimensional – and I allow divine abundance to move through me in its most perfect form, to express itself within me, and to flow beyond me into the world.

I receive:

- Millions, billions, infinite resources, spaces, realms, houses, properties, vehicles, travels, sanctuaries, gifts, inheritances, offerings, capital, business opportunities, passive income, cosmic connections, divinely orchestrated encounters,
- Beauty, elegance, gold, diamonds, art, clothing, time, rest, luxury, spaciousness, support, stability, family, community, partnership, inspiration,
- Universal prosperity, inner security, boundless freedom, divine provision – in every dimension of my being.

I receive:

- Without guilt, without fear, without needing to prove myself, without obligation, without external permission, without submission, without limitation, without separation.

I am a radiant temple of receiving – a consecrated vessel of divine omnipresent provision.

I am the living proof: Divine abundance is my nature.

Wealth is my birthright.

Receiving is my essence.

I receive because I am.

I receive because I come from the Source.

I receive because I have recognized myself in my true being.

I am the manifestation of the Divine – in money, in ownership, in luxury, and in the visible world.

So shall it be.

So it is.

It is done – through me, in me, as me.

Now and for all eternity.

I receive because I am.

I am a being of abundance.

I am the manifestation of Source – also in money.

9. DIVINE AUTHORIZATION & VICTORY OF THE NEW REALITY ♀

I now receive powerfully, multidimensionally, and retroactively to the origin of my existence:

- The highest divine authorization to embody my full wealth consciousness across all levels of my being – without restraint, without guilt, without limitation;
- The Seal of the Infinite Source, which eternally protects, seals, and renders my entire field of abundance invulnerable to any external interference, foreign frequency, manipulation, or devaluation;
- The cosmic affirmation of my divine wealth as truth, reality, and expression of my eternal Self;
- The indestructible anchoring of my prosperity in every cell, every field, every dimension of my being – stable, clear, untouchable, unshakable, irrevocable;
- The reconnection to my origin consciousness, which recognizes wealth, abundance, overflow, ownership, and manifestation as natural extensions of my divine essence.

I am free. I am wealthy. I am eternally provided for.

I am the living Seal of Divine Wealth Power on Earth.

So it is. So shall it be. It is done – through all times, worlds, spaces, and dimensions.

Now – and forever.

I am wealthy. I am free. I am Source. I am Abundance.

And so it is. It is done.

Now – and forever.

♀ SEAL OF ETERNAL WEALTH POWER & INFINITE CREATIVE FORCE ♀

I now call all levels of my being – in past, present, future, and beyond – into divine alignment with the highest reality of my wealth power.

I place the Seal of the Eternal Source upon my entire money consciousness and every level of manifestation within my being.

This Absolute Seal:

- Irrevocably seals my energy field, my nervous system, my DNA, my timelines, my embodiment, and my business in the name of the Source of All That Is;
- Prevents any return to old lack patterns, repetitive loops, or collective fields of money distortion;

- Anchors my highest money authority as a creative, Source-connected being who owes accountability to no one but the Source itself;
- Activates the multidimensional circle of protection made of light, abundance, truth, and divine law around my entire work – so that only what is pure, true, and Source-aligned may enter my field;
- Allows my being to receive, hold, and radiate divine wealth exponentially and steadily – across countries, systems, realities, dimensions, incarnations, and universes.

I carry this Seal with dignity.

I protect this Seal in gratitude.

I honor this Seal in eternal remembrance of my true divine origin.

I am Source. I am Wealth. I am Sovereign. I am Manifestation.
